2. On receipt of this reference a case at IT/61/84 was registered and the parties were called before this Tribunal. In pursuance of the notices issued on the parties, they appeared and submitted their pleadings, on the basis of which the issues were framed and the parties led their evidence. There is one more reference which has been registered at IT/49/84 which is a connected matter between the same parties and hence the evidence was led in the other case and the matter was posted for arguments. However, before filing written arguments it was submitted to the Tribunal that there was every possibility of arriving at a settlement in this reference as well as in the other reference and consequently on this day the parties filed a settlement and requested the Tribunal that an award be passed in both the cases in terms of the settlement.

3. I have gone through the terms of settlement and I have found that the same are certainly in the interest of the employees and hence I have recorded the same and as suggested by the learned Advocates for both the sides, I propose to pass the following consent award in terms of the settlement.
